Our launch letter

A message from Izak and Sr Corine Goss

A new chapter for Wolserve Western Cape

We are delighted to introduce Wolserve WC Homecare and Wolserve WC Consulting—two new service divisions trading under Wolserve Western Cape (Pty) Ltd and joining our established Repairs & Maintenance services. Our website is now live, and we are preparing for the commencement of Homecare services.

Homecare registration update: Wolserve WC Homecare’s DSD registration application is pending. We welcome enquiries about future care needs; service commencement is subject to the required approvals.

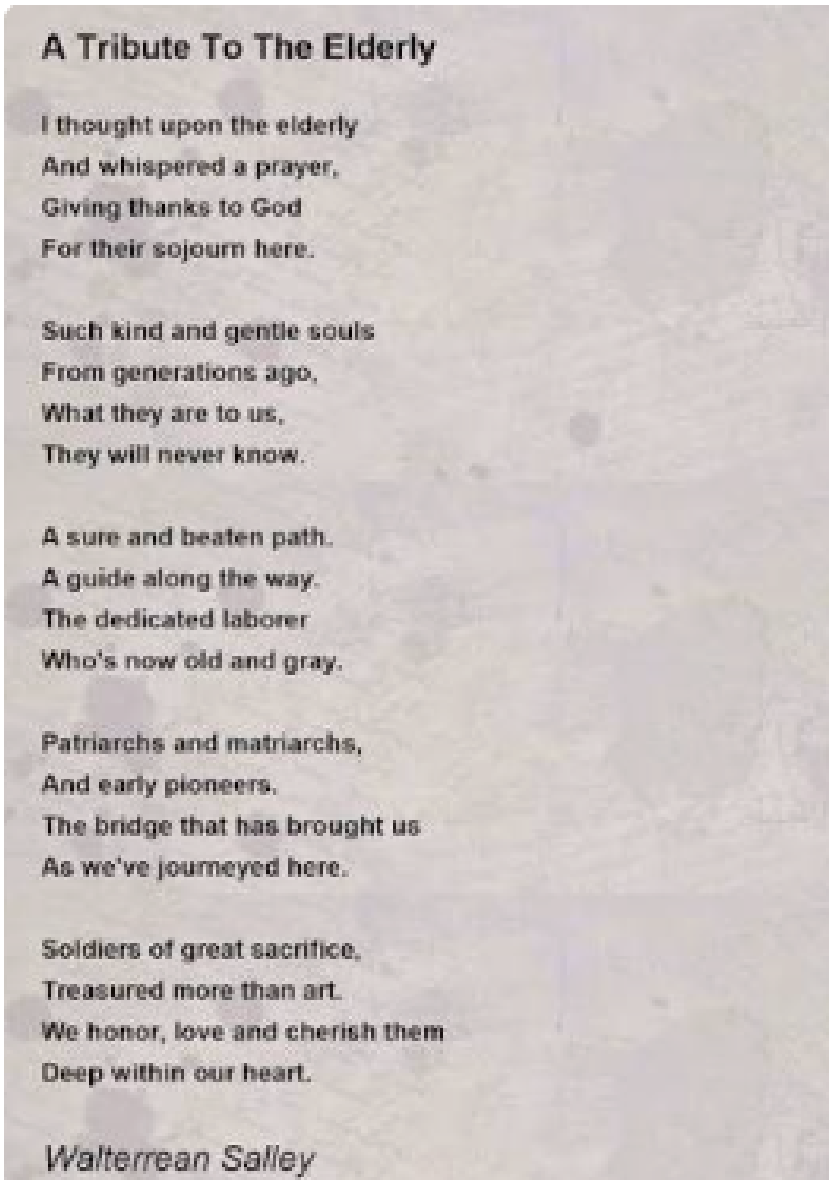

This new chapter brings together years of practical property-service experience, registered-nurse insight and senior operational knowledge. Our purpose is simple: to serve our community with dependable solutions, Christian-based values, respect for all, and care for the natural resources entrusted to us.

Through Wolserve WC Homecare, we aim to help clients remain safe, independent and well cared for in the place they choose, usually their own home. Through Wolserve WC Consulting, we will help organisations strengthen quality, compliance, training and practical service systems. Izak will continue leading repairs, maintenance and property-support services.

We are excited about what lies ahead and grateful to every family, client, colleague and community partner who supports this journey. We look forward to learning, growing and serving together.

With gratitude,Izak Goss & Sr Corine Goss

Honouring those who came before us

A Tribute To The Elderly

I thought upon the elderly
And whispered a prayer,
Giving thanks to God
For their sojourn here.

Such kind and gentle souls
From generations ago,
What they are to us,
They will never know.

A sure and beaten path.
A guide along the way.
The dedicated laborer
Who's now old and gray.

Patriarchs and matriarchs,
And early pioneers.
The bridge that has brought us
As we've journeyed here.

Soldiers of great sacrifice,
Treasured more than art.
We honor, love and cherish them
Deep within our heart.

Walterrean Salley

With care for older people at the heart of Wolserve WC Homecare, we are pleased to include this thoughtful tribute in our first issue.

It honours the lives, sacrifices, wisdom and guidance of those who have walked the road before us—values that sit naturally alongside our commitment to dignity, choice, compassion and respect.

Words credited on the original image to Walterrean Salley.

Blushing Bride

Serruria florida · Pride of Franschhoek / Trots van Franschhoek

01 · The disappearing bride

Carl Thunberg collected this flower in 1773. It then escaped botanical attention for more than a century, giving its story an air of mystery.

02 · A remarkable rediscovery

A historical account describes Harold Pearson recognising it at the Franschhoek flower show in 1914. Its return helped renew interest in this elusive fynbos beauty.

03 · A soft pink blush

Its ivory-to-pink, papery flower heads give Blushing Bride its romantic charm. Look for its flowering season from July to October.

04 · Fire and new beginnings

Fire helps trigger renewal from stored seeds. But fires too close together can destroy young plants before they produce the next generation of seeds.

05 · Beautiful, but threatened

SANBI lists it as Critically Endangered. Its very restricted mountain habitat near Franschhoek makes it vulnerable; invasive hakea and pine trees add pressure.

06 · Admire and protect

Enjoy cultivated blooms in gardens and bouquets. In the wild, photograph rather than pick, stay on permitted paths and respect protected habitats.

Care for creation: Protecting a small flower helps preserve the extraordinary natural heritage we share.

Gedagte vir die maand

’n Oomblik van geloof, stilte en bemoediging

Rus vir jou Siel

“Kom na My toe, almal wat vermoeid en belas is, en Ek sal julle rus gee.”

Oordenking

In ’n wêreld wat nooit ophou jaag nie, voel ons harte dikwels oorweldig. Ons dra laste van môre se bekommernisse, gister se spyt en vandag se eise. Maar Jesus roep ons nie na nog ’n reël of ’n taaklys toe nie; Hy roep ons na Homself toe.

Ware rus word nie gevind in die afwesigheid van probleme nie, maar in die teenwoordigheid van God. Wanneer jy vandag voel die lewe raak te veel, haal diep asem. Gee daardie swaar gedagtes bewustelik vir die Here. Hy vra nie dat jy sterk moet wees nie—Hy wil jou krag wees.

Gebed

Here, dankie dat ek my moeë hart vandag by U kan bring. Help my om op te hou jaag en bloot te rus in U liefde en genade. Neem my bekommernisse en vul my met U bonatuurlike vrede. Amen.

Kleuter Wyshede

Oor Ouma

“Ouma is soos ’n mamma, maar sy het net meer lollies en sê nooit ‘nee’ nie.”

“Ek hou van Ouma se drukkies, want sy is baie sagter as Pappa.”

“Ouma, hoekom is jou gesig so vol patrone? Is dit van al die lag?”

“My Ouma kan enigiets regmaak. Selfs die dinge wat my skuld is.”

Oor Oupa

“Oupa, waar het jou hare toe gegaan toe jy grootgeword het?”

“Ek wil eendag soos Oupa wees, want hy slaap op die bank en niemand skel hom nie.”

“Oupa se tande kan uit sy mond uitloop, myne sit nog vas.”

“Oupa weet alles. En as hy dit nie weet nie, dink hy dit sommer baie vinnig uit.”

Oor die Grootouer-huis

“By Ouma-hulle is die reëls op vakansie.”

“Ek dink Ouma se huis is van suiker gemaak, want alles daar is so soet.”

Do you or your loved one need special care at home?

People-centred care · Illustrative AI-edited image.

Wolserve WC Homecare aims to help clients remain safe, supported and well cared for in the comfort of their own home, with dignity, choice and respect at the heart of our approach.

Homecare registration update: Wolserve WC Homecare’s DSD registration application is pending. We welcome enquiries about future care needs; service commencement is subject to the required approvals.

Support may include personal care, help with everyday activities, companionship and a care plan informed by a registered-nurse assessment. Sr Corine will discuss your family's needs and suitable support before any care arrangement is accepted.
